Recommendations

Kathy Yeomans Technology Development Center
Ventura, CA

“Kelly is one of the best students I have ever had in 12 years of teaching at Ventura Adult and Continuing Education's Technology Development Center. She is highly disciplined, very quick to learn with minimal instruction, extremely creative and talented as a visual designer. She was selected Student of the Month for the entire school. Her attendance was excellent. I would highly recommend her for any position.”

Eva Lewis Punch & Polish Designs
